19. TAVAK VILÁGKONFERENCIÁJA A BALATON RÉGIÓBAN

2023. november 7. Balatonfüred Kongresszusi Központ

Nyitó Rendezvény

levezető elnök: Czunyiné Bertalan Judit, BFT társelnök

Program

9.00 – 10.00	Regisztráció
10.00 – 10.10	A 19. Tavak Világkonferenciájának megnyitása Czunyiné Bertalan Judit, BFT társelnök, kormánybiztos Bóka István Balatonfüred polgármestere, BFT társelnök
10.10 – 10-25	Szilágyi Táncegyüttes és Zenekar művészeti előadása
10.25 – 10.35	Köszöntő
10.35 – 10.45	Kazuhiko Takemoto, ILEC (International Lake Environment Committee) Elnökének köszöntő beszéde, Japán
10.45 – 10.55	Michihiro Oi, a Japán Környezetvédelmi Minisztérium Víz- és Levegő Környezetvédelmi Hivatal, Tengeri Környezetvédelmi Osztályvezetőjének üdvözlő beszéde
10.55 – 11.05	Koji Ejima, Japán SHIGA Tartomány Kormányzóhelyettesének köszöntő beszéde
11.05 – 11.15	Inge Retnowati, az Indonéz Környezetvédelmi és Erdészeti Minisztérium Vízgyűjtő-gazdálkodási és Erdészeti Rehabilitációs Főigazgatóságának belvízi és mangrove helyreállítási igazgató üdvözlő beszéde
11.15 – 11.30	Blue Deal kezdeményezés bemutatása Pietro Francesco De Lotto elnök, az Ipari Szerkezetváltás Konzultatív Bizottsága és az EU Blue Deal koordinátora Európai Gazdasági és Szociális Bizottság (EESC), Brüsszel
11.30 – 11.45	Nemzetközi vízpolitikában elért eredmények és jövőbeni célok, a Budapest Water Summit összefoglalása Sitányi László szakmai igazgató, Kékbolygó Klímavédelmi Alapítvány
11.45 – 11.55	Gratuláló üzenet Jian Liu igazgató, Patrick M'mayi Programirányítási tisztviselő, Early Warning and Assessment Division, UNEP Nairobi
11.55 – 12.00	Beszámoló jelentés az előző napi Nemzetközi Kollokvium eredményéről Masahisa Nakamura Alelnök, ILEC, Japán
12.00	Nyitó rendezvény zárása
12.00 – 13.00	Ebéd / Sajtótájékoztató

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

2023. november 7. Plenáris Ülés

13.00 – 13.20	Természeti alapú funkcionális térségek szerepe és lehetősége Márkus Ferenc területfejlesztés stratégiai tervezéséért felelős helyettes államtitkár, Miniszterelnökség
13.20 – 13.40	Nemzeti Népegészségügyi Központ vízhigiénés hazai és nemzetközi feladatai, eredményei, valamint a Víz és Egészség Jegyzőkönyv ismertetése Vargha Márta Víz és Egészség Jegyzőkönyv Elnöke, Nemzeti Népegészségügyi Központ
13.40 – 14.00	Gondolatok Magyarország határokon átívelő nemzetközi környezetvédelmi, célzott vízpolitikai programok megvalósításáról Németh Gábor vízdiplomáciáért és kötött segélyhitelekért felelős főosztályvezető, Külgazdasági és Külügyminisztérium
14.00 – 14.20A	Balaton vízminősége, ökológiai állapota és a jövő kihívásai Erős Tibor igazgató, Balatoni Limnológiai Kutatóintézet
14.20 – 14.40	KEHOP Plusz program által támogatásra kerülő projektek bemutatása, tájékoztatás a program előnyeiről, céljairól, főbb üzeneteiről Nagy Balázs közlekedési, környezeti és energiahatékonysági fejlesztési programok végrehajtásáért felelős helyettes államtitkár, Miniszterelnökség
14.40 – 15.00	Kávészünet
15.00 – 18.00	Szekcióülések

A nyitó rendezvény és az azt követő Plenáris Ülés alatt magyar-angol szinkron tolmácsolás biztosított.

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346

19. WORLD LAKES CONFERENCE IN THE BALATON REGION

7th November, 2023. Balatonfüred Congress Centre

Opening Ceremony

Chair: Judit Czunyiné Bertalan, Co-chair of Lake Balaton Development Council (LBDC)

Planned Technical Programme

9.00 – 10.00	Registration
10.00 – 10.10	Opening of the 19th World Lakes Conference Judit Czunyiné Bertalan, Co-chair of LBDC, Government Commissioner István Bóka Mayor of Balatonfüred, Co-chair of LBDC, Hungary
10.10 – 10-25	Artistic performance by Szilágyi Dance Ensemble and Orchestra
10.25 – 10.35	Welcoming speech
10.35 – 10.45	Welcoming speech by Kazuhiko Takemoto, President of ILEC (International Lake Environment Committee), Japan
10.45 – 10.55	Welcoming speech by Michihiro Oi, Manager, Marine Environment Division, Water and Air Environment Bureau, Ministry of the Environment, Japan
10.55 – 11.05	Welcoming speech by Koji Ejima, Vice-Governor of the SHIGA Prefecture, Japan
11.05 – 11.15	Welcoming speech by Inge Retnowati, Director of Inland Waters and Mangrove Rehabilitation, Directorate General of Watershed Management and Forest Rehabilitation, Ministry of Environment and Forestry, Indonesia
11.15 – 11.30	Introduction of Blue Deal Initiative Pietro Francesco De Lotto, President, Consultative Commission on Industrial Change and Coordinator on EU Blue Deal European Economic and Social Committee (EESC), Brussels
11.30 – 11.45	International water policy achievements and future goals, summary of the Budapest Water Summit László Sitányi, Technical Director, Blue Planet Climate Foundation, Hungary
11.45 – 11.55	Congratulatory message Jian Liu, Director, Early Warning and Assessment, UNEP Nairobi (to be delivered by Mr. Patrick M'mayi, Program Officer)
11.55 – 12.00	Report on the outcome of the previous day's International Colloquium Masahisa Nakamura, Vice President, ILEC, Japan
12.00	Closing the Opening Ceremony
12.00 – 13.00	Lunch / Press conference

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

7th November, 2023. Plenary Session

13.00 – 13.20	The role and potential of nature-based functional areas Ferenc Márkus, Deputy State Secretary for Strategic Planning for Spatial Development, Prime Minister's Office
13.20 – 13.40	National and international water hygiene tasks and achievements of the National Public Health Centre, and presentation of the Protocol of Water and Health Márta Vargha chair of the Protocol on Water and Health, National Public Health Centre
13.40 – 14.00	Reflections on the implementation of Hungary's transboundary international environment, targeted water policy programmes Gábor Németh Head of Department for Water Diplomacy and Tied Aid Loans, Ministry of Foreign Affairs and Trade
14.00 – 14.20	Water quality, ecological status and the future of Lake Balaton Tibor Erős Director, Balaton Limnological Research Institute
14.20 – 14.40	Introduction of projects supported by the KEHOP (Environment and Energy Efficiency Operational Programme) Plus programme, information on the benefits, objectives and main messages of the programme Balázs Nagy Deputy State Secretary for the implementation of transport, environment and energy efficiency development programmes, Prime Minister's Office
14.40 – 15.00	Coffee Break
15.00 – 18.00	Technical Sessions

Hungarian-English simultaneous interpretation will be provided during the Opening Ceremony and Plenary Session.

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346

WORLD LAKE CONFERENCE

Balatonfüred Congress Centre

7th November 2023

Technical Sessions at the Session Rooms

The official language of the sessions is English.

1. Integrated Management of Lakes and their Basins, Case Report Session I

Programme

15.00 – 15.20	Efforts to foster the momentum and next generation regarding conservation and restoration of Lake Biwa in Shiga Prefecture, Japan Osamura Maho
15.20 – 15.40	Joint Presentation with the Shiga Prefecture Government - Valuing, protecting, conserving, and restoring vital water resources for current and future generations in Michigan Emily Finnell
15.40 – 16.00	Comprehensive restoration of Kartuzy Lakes complex (Kashubian Lakeland, Northern Poland) Augustyniak-Tunowska Renata
16.00 – 16.20	Shiga Prefectural Lake Biwa Floating School Yasue Toshimitsu
16.20 – 16.40	Experience of the Floating School as an environmental education strategy for primary school children in the city of Managua, Nicaragua Bonilla Omar (video presentation)
16.40 – 17.00	Current state and future perspective of Lake Sevan, Armenia – Results of a German-Armenian research project Schultze Martin
17.00 – 17.20	Comprehensive Analysis of the Geological, Hydrographic, Limnological, Climatic, and Viticultural Parameters of the Tokaj Wine Region Zoltán Szekér
17.20 – 17.40	Blooming cyanobacteria in Lake Sevan, Armenia: dynamics, drivers and growth characteristics Gevorgyan Gor
17.40 – 18.00	Discussion, comments, questions
18.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

2. Monitoring instrumentation, innovation, assessment issues and challenges

Programme

15.00 – 15.20	Impacts of Climate Change on Endangered Species in Lake Biwa: Insights from a Decade of ROV Monitoring Ishikawa Kanako
15.20 – 15.40	Shallow endorheic lakes, nutrient discharge, eutrophication, water level fluctuations, invasive species, biodiversity, environmental Zoltán Palotai
15.40 – 16.00	Study on a novel in-situ monitoring technique for fast tracking the vertical migration of cyanobacterial bloom using LISST-HAB Wu Xingqiang
16.00 – 16.20	Application and results of an automatic modular water quality monitoring system in different catchment areas Zsófia Kovács
16.20 – 16.40	The use of GPS transmitters in revealing movement patterns and habitat use of Great Cormorants at Lake Balaton, Hungary Bálint Preiszner
16.40 – 17.00	Discussion, comments, questions
17.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

3. Lake-related sustainable development issue

Programme

15.00 – 15.20	Investigation of groundwater discharge and projection of future lake level changes of Lake Velence by using numerical simulation Anita Erőss
15.20 – 15.40	Urbanisation and Socio-Economic Dynamics of Jayakwadi Dam at Paithan, Aurangabad, Maharashtra, India Ghutke Aman (video presentation)
15.40 – 16.00	Irrigation, conservation, recreation and who covers the costs? Péter Kozák
16.00 – 16.20	New clinical opportunities and new clinical evidence in balneology Sándor Némethy, Zsolt Oláh Csaba
16.20 – 16.40	Role of Lakes in the Watershed Context for Environment Sustainability and Wet land Ecosystem Governance of Ongur Basin in Tamilnadu province India Swaminathan Veeramuthu Murugan
16.40 – 17.00	Management of shallow lakes in recharge regions of groundwater flow systems in case of water shortage Szilvia Szkolnikovics-Simon
17.00 – 17.20	The Fertő Lake Strategy Károly Gombás
17.20 – 17.40	Nutrient balance of angling-oriented fisheries management in Lake Balaton (Hungary) Gergely Boros
17.40 – 18.00	Discussion, comments, questions
18.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

4. Limnology, aquatic and microbial sciences

Programme

15.00 – 15.20	Palaeolimnological research of Balaton based on Chironomidae remains: preliminary results Bea Bartalovics
15.20 – 15.40	Formation of carbonate minerals and phosphorus-rich nanoparticles in association with algal blooms in Lake Balaton Zsombor Molnár
15.40 – 16.00	The operation of Balaton online monitoring platforms István Kóbor Senior Technical Officer, Central Transdanubian Water Management Directorate
16.00 – 16.20	Correlational analyses amid cooccurrence patterns, functional ecology and functional traits of the nonmarine Ostracoda (Crustacea) Külköylüoğlu Okan (video presentation)
16.20 – 16.30	Discussion, comments, questions
16.30	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

5. Aquatic and Littoral Ecosystems

Programme

16.30 – 16.50	Seasonal changes is cell size of the dominant diatom species in the waters of Lake Biwa, Japan Deb Soumya
16.50 – 17.10	Mechanism of lacustrine fish community assembly under multiple environmental pressures in the middle reaches of the Yangtze River Feng Kai
17.10 – 17.30	Periodicity as a reason of entanglement of interconnections between phytoplankton and climate change in a shallow lake Rizhinashvili Alexandra, Olga Maximova
17.30 – 17.50	Functional diversity and comparative analyses of non-marine Ostracoda (Crustacea) between lentic and lotic aquatic habitats (Amasya, Türkiye) Ataman Alper (video presentation)
17.50 – 18.00	Discussion, comments, questions
18.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

6/1. Living Lakes International

Chair: Thomas Schäfer

Programme

15.00 – 15.15	Introduction and Presentation LLBCP Thomas Schäfer
15.15 – 15.25	Conservation and restoration of Lakes and wetlands – the Asia Perspective Bawri Mayur
15.25 – 15.35	Conservation and restoration of Lakes and Wetlands – the Africa Perspective Dr. Andrew Venter
15.35 – 15.45	Conservation and restoration of Lakes and Wetlands – the Latin America Perspective Alejandro Juarez Aguilar
15.45 – 15.55	The Puno declaration Marion Hammerl
15.55 – 16.30	Discussion, comments, questions
16.30	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

6/2. Living Lakes - European

Chair: Udo Gattenlöhner

17.00 – 17.15	Introduction and Presentation ELLA Udo Gattenlöhner
17.15 – 17.30	The EU Restoration Law Overview and status Thomas Schäfer
17.30 – 17.40	What the EU NRL means for large Lakes in Hungary Zoltan Kun
17.40 – 17.50	What the EU NRL means for Spanish lakes and wetlands Blanca Berzosa
17.50 – 18.30	Discussion, comments, questions
18.30	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

WORLD LAKE CONFERENCE

Balatonfüred Congress Centre

8th November 2023

Plenary Session at the Main Hall

Programme

9.00 – 10.00	Registration
10.00 – 10.15	Introduction of water resources, large lakes of Hungary - in particular Lake Balaton Tamás Belovai, Senior Technical Officer, Flood Protection Department, National General Water Management Directorate
10.15 – 10.30	Introduction of the National Laboratory for Water Science and Water Security and the concept of the Balaton monitoring system Renáta Gerencsérné Dr. Berta Consortium-leader, Viktor Sebestyén Researcher University of Pannnonia
10.30 – 10.45	Territorial analysis of spatial progress and integrated development opportunities of large lakes in Europe – ESPON Lakes Sandra Di Biaggio Research and Policy Manager, ESPON EGTC
10.45 – 11.00	Functional Areas in the EU - Insights from Lake Balaton Eva-Viorela Sfârlea World Bank Group Romania
11.00 – 11.15	EU priorities, the need for more focused freshwater related research and innovation agenda Barna Kovács PhD, Consellor, BIOEAST Secretary General
11.15 – 11.30	Importance of aquatic ecosystems for One Health in a changing world Sandra Azevedo Professor, Carlos Chagas Filho Biophysics Institute of Federal University of Rio de Janeiro
11.30 – 11.45	Simulation of Hydrology and Water Quality for Integrated Watershed Management: Behavior and Distribution of Dioxins and SS in the Lake Biwa Basin, Japan Yoshihisa Shimizu Professor Emeritus, Kyoto University
11.45 – 12.00	Lentic-Lotic Water System Response to Anthropogenic and Climatic Factors in Kenya and Their Sustainable Management Daniel Olago Professor, Institute for Climate Change and Adaptation (ICCA) & Department of Geology, University of Nairobi

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

Parallel Special Sessions in the Session Rooms	
10.00 – 11.30	Special Session – Youth Power in Action
12.00 – 13.00	Lunch
13.00 – 15.00	Technical Sessions
15.00 – 15.30	Coffee Break
15.30 – 17.30	Technical Sessions
18.00 – 19.00	Introduction to Poster Session
19.00 – 21.00	Gala Dinner and Cultural Event

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

Technical Sessions at the Session Rooms 13.00 – 15.00

The official language of the sessions is English.

7. Integrated Management of Lakes and their Basins, Case Report Session II

Programme

13.00 – 13.20	Classical eutrophication – recovery – internal eutrophication in Lake Balaton – is it the typical fate of lakes in the Anthropocene? Vera Istvánovics
13.20 – 13.40	How does the downslope wind impact the weather at Lake Balaton? Máté Kurcsics
13.40 – 14.00	An assessment of the environmental impact of the Kakhovka Reservoir Dam breach, Ukraine Spears Bryan
14.00 – 14.20	Research on the Restoration and Management of the Erhai Lake Ecosystem Xu Jun
14.20 – 15.00	Discussion, comments, questions
15.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

8. Climate-change related issues, assessment, adaptations, and challenges

Programme

13.00 – 13.20	Suspended sediment response to Nordic bioeconomy and climate change scenarios in a first-order agricultural catchment Csilla Farkas
13.20 – 13.40	Towards a sustainable water level regulation in Lake Balaton Márk Honti
13.40 – 14.00	The Impact of Climate Change on Mountain Lakes and Their Ecosystems in the Carpathians-Mitigation Measures Tomasz Pasierbek, Tomasz Gierat
14.00 – 14.20	Heat usage of lakes: potential and impacts Schmid Martin
14.20 – 14.40	Climate Resilient Urban Water Security : A case of Bengaluru,India Venkataramaiah Jagannatha (video presentation)
14.40 – 15.00	Discussion, comments, questions
15.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

9. Lake-related water management, ground water, irrigation water

Programme

13.00 – 13.20	The Multiverse of Lake Landscape. The case study of Bolsena Lake Calabrese Valentina Vittoria
13.20 – 13.40	Characteristics of the European large lake regions - lessons from an ESPON study András Igari
13.40 – 14.00	Monitoring ILBM Governance in the Lake Chapala basin: 2010-2020 Alejandro Juarez
14.00 – 14.20	Project-Based University Education's Global Opportunities in Specific Topics of Natural Lake Protection and Sustainable Water Management Tamás Köpeczi-Bócz
14.20 – 14.40	It takes a TRIBE to rescue a river: A New Approach to River Rehabilitation in the Philippines Adelina Santos-Borja
14.40 – 15.00	Functional large lake regions through the lens of governance – opportunities for integrated development Viktor Varjú
15.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

10. Catchment land, resource values, impacts and mitigation

Programme

13.00 – 13.20	Pit lakes at the Tokaj Wine Region: past, present, and future Péter Balling
13.20 – 13.40	Functional foods and their production possibilities in the Balaton Region János Csapó
13.40 – 14.00	Integrated modelling of in-field natural/small water retention measures using the model SWAP in a small catchment Ágota Horel
14.00 – 14.20	Land use changes and impacts on Lake Naivasha M'mayi Patrick L.
14.20 – 14.40	Lake environment and disaster risk preparedness: Analyzing the factors to overbridging the generation gap in a rural area Naoko Kimura
14.40 – 15.00	Environmental Management of Ecosystems of Lakes and their Catchment Areas through Landscape Observatories Sándor Némethy
15.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

11. Lakes as functional development regions

Programme

13.00 – 13.20	Embedding lakes into the global sustainability agenda Irvine Kenneth
13.20 – 13.40	Unlocking Potential: Lake Basins as Catalysts for Sustainable Development in Albania Jaupaj (Velçani) Xhemi
13.40 – 14.00	Complex system of conditions for successful sustainability projects László Dinya
14.00 – 14.20	Managing Urban Lake and Wetland for Sustainable Use: Putrajaya Experience Noordin Normaliza
14.20 – 14.40	Lake(side) is everywhere – Integration of natural environment into tourism experience Judit Sulyok
14.40 – 15.00	The Role of Lake Morphology in Shaping Benthic Diatom Communities in Small Forest Ponds Tiba Jassam Kaison Al-Imari
15.00	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

12. Lake and catchment technologies, traditions, innovations, and beyond

Programme

13.00 – 13.20	Technological Innovations towards Lake Maintenance (in India) Bhargava Mansee Bal
13.20 – 13.40	The Quantification and Modelling of Sediment Production in Timah Tasoh Lake Basin, Perlis, Malaysia Kasim Mohd Fadhil
13.40 – 14.00	Approach to derive times series crop map and management data for environmental modelling in a Hungarian small agricultural catchment Piroska Kassai
14.00 – 14.20	Discussion, comments, questions
14.20	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

Technical Sessions at the Session Rooms 15.30 – 17.30

13. Culture, heritage, society and education

Programme

15.30 – 15.50	Hydro-Eco-Tourism Community as a Sustainable Development Alternative to Preserve the Lake Moa Calizaya Terceros Andres
15.50 – 16.10	Via Kalevala – Via Romana. Ancient routes, contemporary experience Emese Egey
16.10 – 16.30	Beyond Water - Lake Basins As Wine And Food Terroirs Péter Gál, Dr. Dániel Homolya
16.30 – 16.50	Active learning event for children to get nature experiences and research about environmental issues by university students around Lake Biwa, Japan Ito Saeko (Tanabe Arika)
16.50 – 17.10	Impact of stormwater pollution on our surface and groundwater resources Péter Dózsa
17.10 – 17.30	Tourism Desitination Management Model to Protect Aquatic Habitats and the Cultural Heritage in the Tokaj Wine Region in Hungary Péter Molnár, Melinda Szabóné Godzsák
17.30	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

✉ 8600, Siófok Batthyány u. 1. ☎ 84/ 317-002, 313-346
e-mail: bftkht@balatonregion.hu, URL: http://www.balatonregion.hu

14. National and local strategic plans, assessment, conceptual basis

Programme

15.30 – 15.50	Pattern of Lake Rejuvenation in India Bhargava Mansee Bal
15.50 – 16.10	The Experimental Lakes Area: Whole ecosystem aquatic research since 1968 Havens Sonya
16.10 – 16.30	A study on decadal changes in water quality of Bhoj Wetland, the central Indian Ramsar with respect to rapid urbanization Pani Subrata (video presentation)
16.30 – 16.50	Local Governments: Key Actors in Implementing Sustainable Management of Philippine Lakes Adelina Santos-Borja
16.50 – 17.10	Synergising Lake Management within WST2040 of Malaysia Zati Sharip, Salmah Zakaria, Mat Amin Mohd Zaki
17.10	Closing the session

The event is supported by the Prime Minister's Office and the Lake Balaton Development Council.

15. Participatory planning, social engagement and mutual learning

Programme

15.30 – 15.50	I learned from experience. About the sustainable use of Lake Biwa as a local resident Abe Takako, Kosugi Mana, Miyajima Oka
15.50 – 16.10	Evaluation of Citizens' Activities and Collaboration for Sustainable Society in Lake Biwa Basin - A Case Study of Mother Lake Goals (MLGs) Hirayama Naoko
16.10 – 16.30	Effects of learning exchange for conservation of lakes and wetlands: lessons learned from CEPA actions by Ramsar Center Japan Iwasaki Shimpei
16.30 – 16.50	Participatory Ecosystem Services Shared Value Assessments in Malaysia Zati Sharip
16.50 – 17.10	"...Lord, My God, I Measure, I Measure, but What I Measure, I Don't Know...!" - New Possibilities for Measuring Scientific Publications; Alternative Metrics Magdolna Sipos Anna
