<Extra Information>

We have received a request for the following information from the Commerce and Industry Policy Division of Shiga Prefecture, and we would like to share it.

Tech Tour SHIGA, industrial tour consulting services for overseas companies has been launched!

We have opened "Tech Tour SHIGA," industrial tour consulting services to suggest places to visit in the prefecture that meet the needs of foreign companies on the occasion of the "Osaka-Kansai Expo 2025".

The Tech Tour SHIGA aims to build new networks and create new business opportunities through exchanges among companies and organizations, and responds to a wide range of needs from overseas companies, such as" companies in Shiga Prefecture" and" learning about leading technologies" to more specific needs including" considering joint research partners" and" exploring suppliers of products". Please note that we do not handle arrangements for meals, sightseeing facilities, accommodations, interpreters, transportation.

* Consultations for tourism purposes are not eligible for this service. * Consultations are free of charge.

Please see our website for details. The list of sites and companies for visits is also available. URL: <u>https://www.pref.shiga.lg.jp/ippan/shigotosangyou/syougyou/339585.html</u>
