■ Technical Cooperation for Improving Lake Water Quality in Indonesia

Technical Cooperation for Improving Lake Water Quality in Indonesia

Under a commission from the Ministry of the Environment of Japan, ILEC, in cooperation with IDEA Consultants, Inc., will conduct the “Sustainable Lake Management Program” training. This program will take place from November 6 (Wednesday) to 15 (Friday), 2024, for Indonesian central and local government officials in Ibaraki and Shiga Prefectures.

The details of the program are available on the ILEC website:

★☆☆Support ILEC for Sustainable Lake Management: Online Donations Now Available!☆☆★

As of November 6th, for the fiscal year 2024, we have received support from 26 organizations (8 sponsors and 18 donors) and 23 individual sponsors: <https://www.ilec.or.jp/en/support>

We are currently running a special support campaign to help young people and those from developing countries participate in the 20th World Lake Conference. Your support will provide opportunities for many individuals to participate and contribute to the future of lakes. We sincerely appreciate your support.
