WLC20 Exclusive Field Trips Explore — Queensland's Water Systems!  
\_\_\_\_\_ ■ ☐

The 20th World Lake Conference (21-25 July 2025) in Brisbane offers more than just world-class presentations and discussions, it provides a unique opportunity to experience Australia's diverse water landscapes firsthand!

On July 25th, as part of the conference, we are excited to offer exclusive field trips that will take you into the heart of Queensland's lakes, rivers, and coastal systems. These experiences will allow you to engage directly with local water management challenges, cultural heritage, and cutting-edge research in lake and river basin sustainability.

▼ Options (3 courses) ▼

- Minjerrabah / Stradbroke Island — AUD 115
- Gold Coast | Hinze Dam — AUD 65
- Brisbane | Water Supply & Water Utilities — AUD 65

These field trips provide an unparalleled opportunity to witness real-world water management strategies while networking with fellow delegates in dynamic outdoor settings. Spaces are limited, so secure your place early!

Don't forget to check out our website for more details:

★ ☆ Support ILEC for Sustainable Lake Management: Online Donations Now Available! ☆ ★

As of March 27th, for the fiscal year 2024, we have received support from 39 organizations (10 sponsors and 29 donors) and 33 individuals (31 sponsors and 2 donors): <https://www.ilec.or.jp/en/support>

We are currently running a special support campaign to help young people and those from developing countries participate in the 20th World Lake Conference. Your support will provide opportunities for many individuals to participate and contribute to the future of lakes. We sincerely appreciate your support.
